

CVFOA Quiz #3

1. A player becomes a kicker when
 - a. He lines up 7 yards or more behind the snapper in scrimmage kick formation
 - b. He receives the snap from the snapper while in scrimmage kick formation
 - c. His foot, lower leg, or knee makes contact with the ball while executing a legal kick
 - d. His foot, lower leg, or knee makes contact with the ball while executing a legal or illegal kick

2. The penalty for holding an unauthorized conference is
 - a. no more authorized conferences for the rest of the game
 - b. 5 yards from previous spot
 - c. 15 yards from previous spot
 - d. 15 yards from succeeding spot

3. During a free kick, the kicker may only be blocked after
 - a. the kick has touched the ground
 - b. the kick touches any player
 - c. the kicker advances at least 5 yds beyond his free kick line
 - d. any of the above

4. A foul
 - a. always causes a live ball to become dead
 - b. sometimes causes a live ball to become dead
 - c. never causes a live ball to become dead
 - d. occurs when Elmore takes off his socks

5. A live ball becomes dead when
 - a. it is touched by B22 who is standing out of bounds and the ball is in player possession of A32.
 - b. it is touched by B22 who is straddling the sideline(one foot inbounds, one foot out of bounds) while the ball is loose(not in player possession)
 - c. a legal forward pass is touched by airborne B22 who leaped from out of bounds
 - d. all of the above

6. A down ends when
 - a. a runner goes out of bounds
 - b. an illegal forward pass is simultaneously caught/possessed
 - c. a scrimmage kick breaks the plane of R's goalline
 - d. all of the above

7. Team A has the option of exchanging balls when
- they have made a 1st down
 - they have scored a touchdown
 - ever they like
 - during a charged timeout
8. B12 standing on the B 4yd line bats a loose ball into and out of his own endzone. B12 has added a new force to the ball if,
- the loose ball was a grounded fumble
 - the loose ball was a fumble in flight
 - both
 - neither
9. 3rd and 8 on B18yd line; :04 on the clock, score is A14-B20. During the down, A88 is flagged for 'punching' B44(live ball). The result of the play is an incomplete pass with no time left on the clock. B declines A's penalty to avoid an untimed down.
- A88 is still considered ejected
 - A88 is not ejected because the penalty was declined
10. A88 runs a post route over the middle. During the play, he is blocked in the front and above the waist by B44. This is defensive pass interference if
- the quarterback was sacked
 - the pass was thrown in the general direction of A88
 - the pass was thrown to another receiver not in the vicinity of A88
 - all of the above
- <<4th and 8 on K 45yd line. K's punt is caught by R22 on the R10yd line. R22 then run to the R20yd line where he fumbles the ball. The ball rolls to the R25yd line where K67 recovers it and advances to the R15yd where he is tackled.>>
11. The kick ended
- at the R10yd line
 - at the R20yd line
 - at the R15yd line
12. K67 was allowed to advance the ball to the R15yd line
- True...he was advancing a fumble
 - False...he was advancing a kick
13. If R had committed a live ball foul during R22's fumble, then the basic spot for that foul would be
- R10yd line
 - R20yd line
 - the previous spot
 - R25yd line

14. If R had committed a live ball foul at the R 40yd line before R22 gained possession but after the ball was kicked, then the basic spot would be

- a. R10yd line
- b. R20yd line
- c. the previous spot
- d. R15yd line

15. How many running plays are in this situation

- a. 1
- b. 2
- c. 3
- d. I cant count that high
