

## INSTRUCTIONS FOR TAKING THE 2009 RULES TEST

The Rules Test Questions are posted by position on our web site at [www.CVFOA.org](http://www.CVFOA.org). The 2009 Rules Test has been changed from last years in one significant way. This year's test 1) only requires you to answer the questions as True or False; 2) supply the appropriate Rule Reference(s) from the 2008 (LAST YEARS) Rule/Case Book and 3) where appropriate supply the correct Penalty Signal (1 thru 47), as shown in both books. Because the preparation of this test took place prior to the 2009 Rules Books being sent out we will be using the 2008 Rules. If there is a conflict in any test question between the 2008 and 2009 rules changes, credit will be given if appropriate.

You have selected the test for your preferred position of **Back Judge**. Complete the test and submit it to Rick Wright or Mark Collins your Class Leaders, on or before the September 15, 2009 scheduled class. Your answers can be submitted to either via email or regular mail any time prior to this meeting date, if you prefer; the sooner you complete and submit the test the better.

Taking the test is simple. Read the question, locate the answer from the appropriate section in your "2008" Rule Book and answer True or False. Then record the Rule Number and Section Number/Letter (as needed) on the line noted "Rules Reference that supports your answer". Then supply the appropriate Penalty Signal Number if appropriate. If the question does not include a penalty, note "N/A" on this line. NOTHING ELSE IS REQUIRED in the way of explanation.

If you answer the question correctly (T/F) "AND" note the correct rules reference "AND" penalty signal your answer is CORRECT. If "ANY" of these items is wrong or missing then your answer is INCORRECT. Sample question:

- 1) No Player shall fight.  
If You Answer:  True  False – Rules Reference 9-4-1; Signal #38 & 47 (Correct Answer)  
If You Answer:  True  False – Rules Reference 9-4-1; Signal #38 & 47 (Incorrect Answer)  
If You Answer:  True  False – Rules Reference 1-1-1; Signal #38 & 47 (Incorrect Answer)  
If You Answer:  True  False - Rules Reference 9-4-1; Signal # "Blank"; or #15 (Incorrect Signal)

If your test is not submitted by the September 15th date your true score will be reduced by 5 points.

If you are not satisfied with your grade you may resubmit once within 2 weeks from the date it is returned to you with corrected answers and your grade will be adjusted to the highest score you receive.

If you do not submit answers by the end of the September 15th meeting your grade will be zero.

The test is made up of the first 35 questions directly specific to the field position selected at 2 points per question (70 points). Also, there are the last 30 additional questions directly specific to the remaining four positions at 1 point per question (30 points). A total of 100 possible points.

Good luck and hopefully you will learn at least one thing you don't know or have forgotten. If you have any questions contact Rick or Mark.
