June 15, 2009

Ladies and Gentlemen,

I regrettably announce Doug Harvey, our VP of Rules and Mechanics, has elected to resign his position. We thank Doug for his contributions thus far and look forward to working with him on the field in the future.

Based on the recommendation of the 2008 Nominating Committee and in accordance with our By Laws, the Board has filled the vacant VP of Rules and Mechanics position with Dave Holland. Dave is excited about the opportunity and is looking forward to the challenge. We are confident he will hit the ground running and do an excellent job.

During our first meeting on July 21, the general membership will have to vote to approve Dave's appointment or nominate someone else from the floor. You may reference the specific section of our By Laws that addresses such incidents. It can be found on page 4, section II, number 14.

I would like to take this opportunity to remind everyone to complete the mechanics test posted on our web site www.cvfoa.org. It is due on or before August 4. If you have any questions, please feel free to contact any Board member.

Regards,
J. Greg Hunt
President, CVFOA
