

RULE 7 QUIZ 9-9-03

1. What day do we meet next week?
2. Here is a argue question right from the start. This came from the NFHS website. Pass in flight. A4 and B2 are running stride for stride near the sideline. Their feet inadvertently become tangled and both players lose their balance. When their feet became tangled, a) both players were looking for the ball b) neither player was looking for the ball c) A4 was looking for the ball, B2 was not. Ruling?
3. B3, standing still, gets in the path of a receiver A4 without making contact. B3's presence results in either a) A4 initiating contact in an effort to reach the ball or b) A4 slowing down to avoid contact. Ruling?
4. QBA1 throws a middle screen that is batted behind the neutral zone by B2 back into the QB's hands. He then throws a forward pass downfield to eligible A3. After the bat, the lineman start a)running downfield b)blocking downfield. What is your ruling?
5. 4th and 10 from the 50, A lines up in punt formation with 8 men on the line, including a tackle numbered 33. Before the lineman put down their hands to set, they shift, and tackle 33 now drops back 6 yards in his backfield as the upback. They snap to the punter, and 33 now goes out for a pass and catches it a)behind the line b) across the line. What is your ruling?
6. 10 seconds to go in game, no timeouts for either team, 1rst and goal at B's 9 for A. Airborne A7 jumps straight up and catches a pass at B's 5 yardline. B2 pushes A7 before he touches the ground and A7 lands out of bounds a) at the 7 b) at the 5 c) at the 3. Is it a catch and what is the status of the clock?
7. Can you have defensive pass interference on an ineligible downfield?
8. Can you have defensive pass interference on a screen pass behind the line?
9. If a receiver dives for a ball and his body is inbounds but his foot is touching the sideline, is this a catch?
10. What day do we meet next week?
